*Be anxious for nothing, but in everything by prayer  
and supplication, with thanksgiving, let your requests be  
known to God; and the peace of God which surpasses all  
understanding, will guard your hearts and  
minds through Christ Jesus.*

*Phil 4:6-7*

## INTRODUCTION

We are thankful to God to have this prayer diary in our hands. It is a great weapon, because prayer is the avenue by which we gain access to our Heavenly Father.

Nothing is outside the scope of His concern and nothing is beyond reach of His power. Whatever the anxiety is in your life, you can go before God. When blessings come, you can thank God. When burdens come, you can seek His assistance. When you have failed you can ask God's forgiveness. When you succeed you can praise God for His help. When you don't know what to do you can ask God for his guidance. You can pray to God about anything.

This withstanding the primary focus of prayer is not us. It is on God, His presence and His purpose. The ultimate purpose of prayer is that we may become sensitive to his presence and so in tune with His purpose that we can be used to spread the message of God's love.

### PURPOSE OF THIS DIARY

- To provide a systematic way of upholding each other in prayer.
- To make us sensitive to the needs of others.
- To strengthen the bond between us as individuals, churches and institutions. We are members of one body. We are a family and a family that prays together, stays together.

If God is not first in our thoughts and efforts in the morning, He will be in the last place the remainder of the day." E.M. Bounds*

### PRAYER NEEDS

- Give thanks for the relative peace after several years of instability in the region and the model Elections in Ghana.

- Commit the region that current efforts will yield sustainable peace and increased food security and economic development.

*"Prayer breaks all bars, dissolves all chains, opens all prisons, and widens all straits by which God's saints have been held." E. M. Bounds*

## THE FAMILY INSTITUTION

- Thank God for the institution of the family as a place of nurture, comfort, renewal, recreation and identity.
- Confess that through selfish ambitions, social pressures the family institution is threatened.
- Pray that it will withstand the assault from secular forces and that it will continue to provide stability and meaning to society.

*"There is no power like that of prevailing prayer, of Abraham pleading for Sodom, Jacob wrestling in the stillness of the night, Moses standing in the breach, Hannah intoxicated with sorrow, David heartbroken with remorse and grief, Jesus in sweat of blood. Add to this list from the records of the church your personal observation and experience, and always there is the cost of passion unto blood. Such prayer prevails. It turns ordinary mortals into men of power. It brings power. It brings fire. It brings rain. It brings life. It brings God." Samuel Chadwick*

## CHILDREN

- Thank God for the Children of the world.
- Confess that we have been unable to provide a safe and healthy nurturing environment for them.
- Pray that God will raise among us a new sense of responsibility to the welfare of all children in the world and that we shall stand up against practices that seek to exploit their innocence and vulnerability.

*"I would rather teach one man to pray than ten men to preach."  
Charles Spurgeon.*

## MOTHERS

- Thank God for all mothers in the world and the great sacrifice they make for the sake of the well-being of their families.

- Pray that they will be given opportunity and space to exercise gifts and rights for the common good of the society.
- Pray that they will be protected against exploitation and destructive influences in society.

## PEACE IN THE WORLD

- Thank God for wherever the gift of peace is celebrated and shared.
- Confess for our failure to be agents of peace where there is war; of love where there is hate; of trust where there is fear and inclusion, where there is marginalization.
- Pray that God will frustrate the plans of those involved in schemes that seek to cause chaos, war and destruction.
- Pray for protection and resilience for those involved in promoting understanding across races, ideologies and faith groups; and committed to sowing seeds of peace.

*"It is in the field of prayer that life's critical battles are lost or won. We must conquer all our circumstances there. We must first of all bring them there. We must survey them there. We must master them there. In prayer we bring our spiritual enemies into the Presence of God and we fight them there. Have you tried that? Or have you been satisfied to meet and fight your foes in the open spaces of the world?" J. H. Jowett*

## STEWARDSHIP OF THE ENVIRONMENT

- Confess our failure to cherish and protect our world causing intolerable suffering; famine, floods, pollution and unpredictable weather patterns.
- Thank God for the new consciousness about the need to manage mother earth responsibly and pray that this desire will translate into tangible corrective actions.
- Pray that the Church will provide leadership in caring more deeply about all creation as well as the environment.

*"We must begin to believe that God, in the mystery of prayer, has entrusted us with a force that can move the Heavenly world, and can bring its power down to earth." Andrew Murray*

## THE URBAN POOR, REFUGEES AND INTERNALLY DISPLACED PERSONS (IDPS)

- Commit the staff and work of CAPA to God's guidance and providence.
- Pray that the proposed All Africa Bishops Conference in August 2010 will bring unity of purpose and mark a watershed in witness of the Anglican Church in Africa.

*"Since the days of Pentecost, has the whole church ever put aside every other work and waited upon Him for ten days, that the Spirit's power might be manifested? We give too much attention to method and machinery and resources, and too little to the source of power."*

*Hudson Taylor*

## ECUMENICAL ORGANIZATIONS and INTER-FAITH COOPERATION

- Thank God for the ecumenical vision and for organizations that nurture unity among followers of Christ- World Council of Churches, All Africa Council of Churches, and National Councils of Churches etc.
- Pray that Christians will live in obedience to Christ's prayer for unity.
- Pray that all religious institutions will work for justice, progress, tolerance and the dignity of all human beings.
- Thank God for those who have worked tirelessly to build bridges between different faith groups.

*“The essence of prayer does not consist in asking God for something but in opening our hearts to God, in speaking with Him, and living with Him in perpetual communion. Prayer is continual abandonment to God. Prayer does not mean asking God for all kinds of things we want; it is rather the desire for God Himself, the only Giver of Life, Prayer is not asking, but union with God. Prayer is not a painful effort to gain from God help in the varying needs of our lives. Prayer is the desire to possess God Himself, the Source of all life. The true spirit of prayer does not consist in asking for blessings, but in receiving Him who is the giver of all blessings, and in living a life of fellowship with Him.”*  
*Sadhu Sundar Singh.*

- Pray that global financial institutions will use their strength not to stifle the capacity of poor nations but work towards unlocking their economic potentials.
- Pray that they will be protected from greed and work towards ordering the world economy to benefit those currently exploited, the marginalized and the poor.

*"Intercession is truly universal work for the Christian. No place is closed to intercessory prayer. No continent - no nation - no organization - no city - no office. There is no power on earth that can keep intercession out." Richard Halverson.*

## BUSINESS AND ENTERPRISE

- Thank God for the gift of entrepreneurship and for those who have used this gift to benefit the human race through research and investment.
- Pray that those involved in business and enterprise may grow in generosity of spirit and may be delivered from blindness of heart not to invest with God.
